Subject: proposed early voting hours
Attachments: 03 01 2016 primary voting locations and hours.docx

The attached proposed early voting locations are exactly the same as in 2014 primary and election day. There are 2 differences from the original proposal from last week:

Prairie View: The Episcopal Church instead of City Hall. (It's closer to campus)

Field Store: The County Building instead of the Community Center.

Dear Friends,

Attached is the document approved by Commissioners Court this morning for early voting locations and hours.

The locations are subject to availability, although I don't anticipate availability problems. I've contacted all the early voting places already, and am waiting to hear back from a few.

Merry Christmas.
